

I will help build a home for art.

**All contributions are gratefully accepted.**

Every \$100 entitles you to a block on our internet page

www.zullogrid.org

\$200 = 2 blocks, \$300 = 3 blocks, etc.

Each block (six squares on the web grid) provides you with space to place a message, a picture, a logo etc., with a link, if you wish, to the web site of your choice. Simply send us the information in the enclosed envelope along with your donation. To get an idea of what different sized images look like visit www.zullogrid.org

**The back of this card has many ideas to fill in your blocks.**

The gallery accepts credit card donations on line at www.zullogrid.org

If you would like to spread your donation payments over a 1-2 year period please contact the gallery at art@zullogallery.org or 508-359-3711
